Surprisingly clever

To find out more about the surprisingly clever Accu-Chek Guide system, **visit [www.accu-chek.com](http://www.accu-chek.com).**

1 Study conducted in 2015 (N=197 PwD) in the US and France in Abbott, Accu-Chek, Bayer and LifeScan meters. Roche, data on file.

2 95% of individual glucose results from 3 test strip lots fall within  $\pm 10$  mg/dL of the results of the manufacturer's reference method at glucose concentrations  $< 100$  mg/dL and within  $\pm 10\%$  at  $\geq 100$  mg/dL.

**New**

**Accu-Chek® Guide**  
Surprisingly clever solutions

**ACCU-CHEK®**

## Often, it's the little things...

... that make blood glucose testing a hassle. Trying to **get the test strip out in a hurry, testing discreetly** when it's too dark to see, **missing the small blood application area, jotting down test results** by hand, ... can be really challenging.

**The new Accu-Chek Guide system** is designed to reduce the hassle of everyday blood glucose testing – whether you're on your way to work, enjoying yourself outdoors or spending time with your family.

## Surprisingly clever solutions to make BG testing easier

### Test in the dark

The new Accu-Chek Guide meter has a **bright backlit display** – and a **strip port light**.

### Your information - all in one place

Send your readings **wirelessly to the Accu-Chek Connect app**, for access anytime, anywhere.

### One click is all it takes

The Accu-Chek lancing device provides **gentle lancing**.

### Hard to miss

Apply a **small blood drop anywhere** on the yellow edge of the easy-edge test strip.

### Advanced Accuracy

for **results you can trust:**  
Even tighter 10/10 accuracy<sup>2</sup>

### No Touch Strip Removal

With the **strip ejector button**, a single click is all it takes for fast and easy hygienic removal.
